

PRECISION DRILL & TAP

HIGH PERFORMANCE, LOW COST

ø 60x55 mm
CORE DRILLING

M20
TAPPING

ø 20 mm
TWIST DRILLING

MT 2
MORSE TAPER

 **BDSMASCHINEN**
DESIGNED IN GERMANY

MABasic 60R

MAGNETIC DRILLING & TAPPING MACHINE

MABasic 60R

Economical magnetic drilling and tapping machine featuring an MT2 spindle, variable speed control, a powerful reversible motor, and German-designed technology.

Reversible Motor

1200 Watt German technology motor

Variable Speed Control

Easy to control switches on top

2 Speed gearbox

Brand new industrial-grade gearbox

Morse Taper 2

Ideal for Taps and Drills with MT2 Shank

MT2 Industrial arbor for Weldon 19 mm

Ideal for Taps and Drills with Weldon Shank

Powerful magnet: 10400 Nm

MABasic 60R

Tapping	M20
Core drilling	ø 60 mm
Core drilling depth	55 mm
Twist drilling	ø 20 mm
Motor output	1200 Watt
Voltage	230V or 110/125V
Stroke	160 mm
Weight	13 Kg.
Industrial arbor	19 mm Weldon
Spindle taper	MT 2
Gear 1 range / Gear 2 range	250 min-1 / 450 min-1
Variable speed control	✓
Reversible motor	✓
Left/Right rotation switch	✓

TAPPING

ø20mm

DRILLING

ø60mm

Included in delivery

1 Magnetic Drilling Machine	1 Industrial arbor
1 Robust Carry Case	1 Safety Lashing Strap
1 Concentrated Cutting Oil	1 Ejector Pin
1 Safety Goggle	1 Allen Key
1 Hand Gloves	1 Spanner
